

FEATURE CLASS NAME dod_rpi_disposal_area

ENTITY TYPE NAME	OBJECT TYPE	ENTITY CLASS NAME	TABLE NAME
------------------	-------------	-------------------	------------

dod_rpi_disposal_area	G/GT Polygon	cadastre_federal_dod_prope	cddoddis
-----------------------	--------------	----------------------------	----------

DEFINITION All activities associated with the final disposition of an asset, including land. It includes, but is not limited to, reassignment to other DoD entities, transfer to another DoD or non-DoD entity, exchange, donation, loss by disaster, demolition, and sale.

SubTypes None

rpi_di_id	RPAUID	C	18
-----------	--------	---	----

Primary Key. Uniquely identifies each parcel and foreign key facilitating relational join to associated RPI core data elements stored in Military Department inventory systems.

rpsu_id	RPSUID	C	18
---------	--------	---	----

Foreign Key facilitating spatial relationship to polygons in the recommended RPI Sites theme and facilitating relational join to associated RPI core data elements for sites in the Military Department inventory systems.

Ind_acq_id	LandAcquisitionTractNumber	C	20
------------	----------------------------	---	----

Alternate key storing legacy (pre-RPUIID) parcel identifiers to facilitate relational join to existing real estate data stored in the "as-is" Military Department inventory systems.

inst_un_id	InstallationUniqueIdentifier	C	18
------------	------------------------------	---	----

Alternate Key. RPI core data element, from RPI "Site" table, included in the geospatial data model to associate parcels with their parent installation.

excluse_d	ExclusiveUseCode	C	16	rpa - exclusive use
-----------	------------------	---	----	---------------------

Identifies land parcels in which DoD retains the right for exclusive use or command-and-control.

<i>EXCLUSIVE_USE</i>	EXCLUSIVE USE
----------------------	---------------

The DoD retains the right for exclusive use (i.e., DoD retains the right to deny access, trespass, or occupancy by all other parties).

<i>NON_EXCLUSIVE</i>	NON EXCLUSIVE USE
----------------------	-------------------

Land parcels in which DoD has legal interest (i.e., those parcels that define the extent of RPI Site boundaries), but not exclusive use.

<i>UNKNOWN</i>	UNKNOWN
----------------	---------

Unknown.

land_area	LandTotalAreaQuantity	D
-----------	-----------------------	---

The authoritative source for land parcel size as recorded on the deed or legal instrument.

ldarea_u_d	LandTotalAreaUOMCode	C	16	unit of measure - area
------------	----------------------	---	----	------------------------

Records the unit of measure for land parcels as recorded on the deed or legal instrument.

<i>AC</i>	ACRE
-----------	------

Acre - 43,560 Square Feet

area_size	AreaSize	D		
	The area of each parcel in acres as calculated using GIS tools.			
area_u_d	AreaSizeUOMCode	C	16	unit of measure - area
	The unit of measure for the area size field.			
	AC	ACRE		
	Acre - 43,560 Square Feet			
dispos_id	DisposalIdentifier	C	18	
	Alternate Key. Used to link to Excess and Disposal tables in the RPI logical data model.			
meta_id	MetalD	C	20	
	FOREIGN KEY - Links the record to CMGENMET through primary key META_ID.			

FEATURE CLASS NAME dod_rpi_land_parcel_area

ENTITY TYPE NAME	OBJECT TYPE	ENTITY CLASS NAME	TABLE NAME
------------------	-------------	-------------------	------------

dod_rpi_land_parcel_area	G/GT Polygon	cadastre_federal_dod_prope	cddodpar
--------------------------	--------------	----------------------------	----------

DEFINITION Represents the researched boundaries of land in which DoD holds fee-simple title (owned) or has retained certain less-than-fee surface rights and interests (non-owned).

SubTypes

FEE	A parcel that is owned by the Department of Defense.
LESS_THAN_FEE	A parcel that is not owned by the Department of Defense.

rpau_id	RPAUID	C	18	
	Primary Key. Uniquely identifies each parcel and foreign key facilitating relational join to associated RPI core data elements stored in Military Department inventory systems.			
rpsu_id	RPSUID	C	18	
	Foreign Key facilitating spatial relationship to polygons in the recommended RPI Sites theme and facilitating relational join to associated RPI core data elements for sites in the Military Department inventory systems.			
lnd_acq_id	LandAcquisitionTractNumber	C	20	
	Alternate key storing legacy (pre-RPUIID) parcel identifiers to facilitate relational join to existing real estate data stored in the "as-is" Military Department inventory systems.			
inst_un_id	InstallationUniqueIdentifier	C	18	
	Alternate Key. RPI core data element, from RPI "Site" table, included in the geospatial data model to associate parcels with their parent installation.			

rpa_int_d	RPAInterestCode	C	34	rpa - interest code
	Designates the type of interest DoD has in each real property asset and is essential for non-owned asset stewardship and financial accounting and reporting.			
	<i>EASEMENT</i>	EASEMENT		
	An easement is a real estate interest that grants a Military Department or WHS the right to use a real property asset for a specific purpose.			
	<i>FOREIGN_OWNED</i>	OWNED BY FOREIGN GOVERNMENT		
	A foreign government holds title to the real property asset but certain rights for use have been granted to a Military Department.			
	<i>JOINT_OWNED</i>	JOINT VENTURE OWNERSHIP		
	A public-private venture is a mutually beneficial partnership between a Military Department or WHS and a private entity.			
	<i>LEASHOLD</i>	LEASHOLD		
	Real property asset where the right to use the asset has been assigned to a Military Department by a private entity for a defined time period in return for rent			
	<i>OTHER</i>	OTHER		
	Any other type of interest that is not covered by one of the other categories.			
	<i>OWNED</i>	OWNED		
	Real property asset where a fee simple ownership interest is held by a Military Department or WHS.			
	<i>OWNED_BY_OTHER</i>	OWNED BY OTHER FEDERAL AGENCY		
	Other Federal Agency hold title to or interest the real property asset but certain rights for use have been granted to a DoD Component.			
	<i>PRIVATE_OWNED</i>	OWNED BY PRIVATE ENTITY		
	Real property facilities on DoD sites that are owned and operated by the private sector (e.g., Burger King, Credit Union).			
	<i>STATE_LOCAL</i>	OWNED BY STATE OR LOCAL GOVT		
	A U.S. State or Local Government authority holds title to the real property asset but certain rights for use have been granted to a Military Department or WHS.			
exclude_d	ExclusiveUseCode	C	16	rpa - exclusive use
	Identifies land parcels in which DoD retains the right for exclusive use or command-and-control.			
	<i>EXCLUSIVE_USE</i>	EXCLUSIVE USE		
	The DoD retains the right for exclusive use (i.e., DoD retains the right to deny access, trespass, or occupancy by all other parties).			
	<i>NON_EXCLUSIVE</i>	NON EXCLUSIVE USE		
	Land parcels in which DoD has legal interest (i.e., those parcels that define the extent of RPI Site boundaries), but not exclusive use.			
	<i>UNKNOWN</i>	UNKNOWN		
	Unknown.			
land_area	LandTotalAreaQuantity	D		
	The authoritative source for land parcel size as recorded on the deed or legal instrument.			
ldarea_u_d	LandTotalAreaUOMCode	C	16	unit of measure - area
	Records the unit of measure for land parcels as recorded on the deed or legal instrument.			
	<i>AC</i>	ACRE		
	Acre - 43,560 Square Feet			

area_size	AreaSize	D		
	The area of each parcel in acres as calculated using GIS tools.			
area_u_d	AreaSizeUOMCode	C	16	unit of measure - area
	The unit of measure for the area_size field.			
	AC	ACRE		
	Acre - 43,560 Square Feet			
meta_id	MetalD	C	20	
	FOREIGN KEY - Links the record to CMGENMET through primary key META_ID.			
rpi_int_d	RPIInterestCode	C	16	status list - rpi owner
	The ownership status of a DoD interest land parcel.			
	FEE	FEE		
	A parcel that is owned by the Department of Defense.			
	LESS_THAN_FEE	LESS_THAN_FEE		
	A parcel that is not owned by the Department of Defense.			

FEATURE CLASS NAME dod_rpi_land_parcel_line

ENTITY TYPE NAME	OBJECT TYPE	ENTITY CLASS NAME	TABLE NAME
dod_rpi_land_parcel_line	String/Chain	cadastre_federal_dod_prope	cddodpar

DEFINITION Any property interest of the DoD where the formal legal description which states no area for the feature. These are normally associated with non-owned "crossing" entitlements and rights, such as a lease on a communication line over a railroad. If the documentation actually indicates an area of interest, it should be indicated as a polygon.

SubTypes None

rpau_id	RPAUID	C	18	
	Primary Key. Uniquely identifies each parcel and foreign key facilitating relational join to associated RPI core data elements stored in Military Department inventory systems.			
rpsu_id	RPSUID	C	18	
	Foreign Key facilitating spatial relationship to polygons in the recommended RPI Sites theme and facilitating relational join to associated RPI core data elements for sites in the Military Department inventory systems.			
lnd_acq_id	LandAcquisitionTractNumber	C	20	
	Alternate key storing legacy (pre-RPUIID) parcel identifiers to facilitate relational join to existing real estate data stored in the "as-is" Military Department inventory systems.			
inst_un_id	InstallationUniqueIdentifier	C	18	
	Alternate Key. RPI core data element, from RPI "Site" table, included in the geospatial data model to associate parcels with their parent installation.

meta_id	MetaID	C	20	
	FOREIGN KEY - Links the record to CMGENMET through primary key META_ID.			
rpi_int_d	RPIInterestCode	C	16	status list - rpi owner
	The ownership status of a DoD interest land parcel.			
	FEE	FEE		
	A parcel that is owned by the Department of Defense.			
	LESS_THAN_FEE	LESS_THAN_FEE		
	A parcel that is not owned by the Department of Defense.			

FEATURE CLASS NAME dod_rpi_outgrant_area

ENTITY TYPE NAME	OBJECT TYPE	ENTITY CLASS NAME	TABLE NAME
dod_rpi_outgrant_area	G/GT Polygon	cadastre_federal_dod_prope	cddodout

DEFINITION Conveys/authorizes the use of a DoD-managed real property item to either a government agency or private entity for a specified consideration. Outgrants temporarily convey use rights and potentially some management responsibilities, but at the end of the terms of the agreement, the property remains with the original land owner.

SubTypes None

instr_id	InstrumentIdentifier	C	18
